FINANCES and MARKETS
[Republican A. P. Leased Wire]
NEW YORK, May 15. (Wall Street)
—The stock market responded to a
further broad and vigorous demand
today, numerous investment shares
rising one to three points, while specu-
lative shares advanced two to four
points, and some foreign securities
advanced three to eight points. Wall
street seemed under the spell of op-
timism, engendered in part by last
Saturday's impressive demonstration
favoring preparedness and there were
those who professed to draw from
that occasion inferences of deep po-
litical significance.

For its leaders the market had such
an optimistic feeling as the former
scoring an extreme gain of 2 1/2 on its ad-
vance to 5 1/2, with an overture of
about 125,000 shares, while Reading
advanced to the new high record of
92 1/2 on its extreme rise of 13 1/2.
War stocks emerged from their re-
cent inactivity.

Mexicans already backward at first
on the conflicting nature of the news
from that country but came forward
briskly later, petroleum gaining over
4 points with 2 for Texas company.

For a time zinc shares were the
only features of the metal divisions
but copper were in fair demand dur-
ing the afternoon at moderate ad-
vances.

Inquiry for rails embraced issues of
high and low degree, the centers be-
ing especially active. Rock Island,
Iron Center and some low priced
southwestern railways were in mod-
erate demand. Final prices were
lower by fractions to a point. Total
sales of stocks amounted to 890,000
shares.

Bonds were firm, but dealings were
features aside from the heavy trad-
ing in Anglo-French 5s. Total sales
of bonds par value were \$2,769,000.
United States bonds were un-
changed on call.

CHICAGO GRAIN
CHICAGO, May 15.—Notwithstanding
that Kansas reports of damage
by Hessian fly caused advances today
in the price of wheat, the market
afterward sagged heavily owing to
seeming spread of belief that the crop
outlook as a whole had been un-
satisfactorily improved by general rains.
The market closed unsettled 1/2c to 1
cent net lower with July at \$1.16 1/2
and September, \$1.16 1/2. Corn lost
1/2c to 3/4c and oats a shade to

1/2c. In provisions the outcome
varied from 1/2c decline to a
rise of 10 cents.

In the late trading a majority of
dealers gradually changed to the
selling side of the wheat market.
Corn swayed with wheat.

Oats like wheat were said to re-
ceive much benefit from the general
rains.

Hogs at the highest prices in six
years brought about a bulge in pro-
visions. Heavy selling of lard, how-
ever, followed and the gains were
largely whied out.

Closing: Wheat, July, \$1.16 1/2; Sep-
tember, \$1.16 1/2.
Corn: July, 74c; September, 75c.
Oats: July, 42 1/2c; Sept. 39 1/2c.

Tempe News Notes
GOODBY, MR. MOSQUITO
After a month's campaign against
the mosquito with no apparent suc-
cess, the aldermen yesterday located
the insects' breeding places in the
manholes that appear here and there
in the sewer lines. Every effort has
been made to eradicate the pest, but
the custom of dumping the open water
holes, hydrants and the like did not
work the usual result and the health
officer was at a loss to know what
to do. Under orders from the coun-
cil a force of men will place a tight
screen over all the manholes and it
is practically assured that this job
will make the existence of mos-
quitoes in Tempe in the future but
short lived.

SUNDAY VACATIONS
Many of the business men in
Tempe, for the first time since they
have been engaged in business here,
will get an all-day vacation next
Sunday. The Sunday closing ordi-
nance passed last month by the coun-
cil is now effective, and short of the
drug stores, pool halls, picture shows
confectionery stores and baker shops,
no other business houses will be open
on Sundays from now on. As to the
justice of the ordinance there are
opinions pro and con, and some think
that it will eventually be repealed.

OFF TO THE SOUTH
President A. J. Matthews, of the
Normal, expected to leave last even-
ing for the southern part of the
state, where he will deliver several
commencement addresses this week-
end. The Benson, Bisbee and Wil-
cox high schools have invited him
to give the address at their re-
spective commencement exercises.

minimum temperatures were recorded

A MIXED PROGRAM
Comedy, drama and tragedy are
all combined in the program to be
seen tonight at the opera house. Bob
Lyon and Ella Hall will appear in
"The Little Blonde in Black." Cleo
Madison plays in a box feature, "The
King of Destiny." "Billie's Plumber
and Plumber's Bill" and "Dad's
Awful Deed" are the titles of the
two comedies.

CONGREGATIONAL CHURCH AID
The Ladies' Aid of the Congrega-
tional church will hold its May social
tea at the home of Mrs. O. C. Wat-
son, east of town, tomorrow after-
noon.

MISTAKEN WATER SCHEDULE
Owing to the janitor's mistake,
irrigation for town property was not
turned in until 6:30 last evening, in-
stead of yesterday at noon, as pre-
viously announced. The run will
continue until 10 o'clock this morn-
ing.

PARAMOUNT TEMPEAN FRIDAY
The next Paramount picture at the
Tempean Theater will be "Arm-
strong's Wife" with Edna Goodrich
in the title role. This picture will
be shown next Friday evening and is
considered among the strongest fea-
tures on the Paramount bill.

Mesa News Notes
CLUFF IS HURT
IN ALTERCATION
Frank A. Cluff of this place is laid
up with a broken leg which is apt to
keep him from active work for some
time. About 8 p. m. Saturday there
was a difficulty between Mr. Cluff and
W. A. Burton, Jr. during which both
bones of the limb were broken midway
between ankle and knee.
The statements of the parties to the
quarrel are conflicting. It seems that
the trouble grew out of a quarrel
suit brought by Cluff against Burton
in which the latter's wages were garn-
ished. Cluff's statement is that while
he was passing the W. A. Burton and
Sons undertaking parlors at the time
mentioned, Will Burton grabbed him
by the arm and striking him several
blows, knocked him down and kicked
him on the leg, with the above result.
Burton's statement is that he merely
accused Cluff of not treating him right
in garnishing his wages and that the
latter struck him first. He denies the
kicking.

cial exercises for graduation in domes-
tic science and the commercial depart-
ment, are given the dignity of a regu-
lar graduation program. The idea of
the faculty being that this additional
work deserves the special attention de-
voted to it during this commencement
period. All but two of the above are
regular seniors and will receive the di-
plomas for completion of the high
school course, with the others of the
senior class on Thursday night. The
graduation exercises of the commercial
department will be held on Wednes-
day night. There is no school event
set for tonight.
